This brand new and deeply immersive art film allows us to discover what gave Monet the inspiration to return to work, and to produce such a stunning and immortal work of beauty. As a young man growing up in Nazi-occupied Europe, Marcel has no intention of getting involved in the war -- his pursuits include impersonating **Charlie Chaplin** in burlesque clubs, painting backdrops for his plays, and antagonizing his obstinate father. His life is thrown into upheaval when he is recruited into the French Resistance, putting his acting skills to the ultimate test in teaching orphaned Jewish children how to survive in the horrifying reality of the Holocaust.
