

## EVENT & FILM GUIDE – AUGUST 2024

### The Fabulous Four (M)

Running Time: 99 minutes

If three's a crowd, four's a party! *The Fabulous Four* is an uproarious comedy about a group of life-long friends (**Susan Sarandon**, **Megan Mullally**, and **Sheryl Lee Ralph**) who travel to Key West, Florida, to be bridesmaids in the surprise wedding of their best college girlfriend Marilyn (**Bette Midler**). Over the course of one outrageous trip, sisterhoods are rekindled, the past resurfaces, and there are enough sparks, raunch, and romance to change all their lives in unexpected ways.

### Fly Me to the Moon (M)

Running Time: 132 minutes

Starring **Scarlett Johansson** and **Channing Tatum**, *Fly Me To The Moon* is a sharp, stylish romantic comedy set against the high-stakes backdrop of **NASA's** historic **Apollo 11** moon landing. Brought in to fix **NASA's** public image, sparks fly in all directions as marketing maven Kelly Jones (**Johansson**) wreaks havoc on launch director Cole Davis's (**Tatum**) already difficult task. When the White House deems the mission too important to fail, the countdown truly begins...

### Horizon: An American Saga - Chapter 1 (M)

Running Time: 145 minutes

Academy Award-winning visionary filmmaker **Kevin Costner** directs *Horizon: An American Saga, Chapters One and Two*, a multi-faceted chronicle covering the *Civil War* expansion and settlement of the American West. A story of **America** too big for one film, this true cinematic event also stars **Costner**, who co-writes with **Jon Baird** (*The Explorers Guild*) and produces through his Territory Pictures.

Chapter 2 screening in September

## Bookworm (PG)

Running Time: 94 minutes

Eleven-year-old Mildred's life is turned upside down when her stressed out, strapped-for-cash single mum lands in hospital and her estranged father, Strawn Wise (**Elijah Wood**) – a has-been American illusionist – flies to **New Zealand** to look after her.

The bookish tween's lifelong quest has been to capture proof that the mythological beast known as the **Canterbury Panther** exists, which would bring with it a cash prize that would pull her and her mother out of their financial struggles.

Newly introduced father and daughter head to the wilderness on a camping trip for the ultimate test of family bonding, watched from afar by a deadly black beast that could be the answer to all their woes.

Exploring universal themes of fatherhood, survival and overcoming your fears, and with the rugged Southern **New Zealand** landscape as its backdrop, *Bookworm* will make you laugh, cry and warm your heart as it takes you on the adventure of a lifetime.

## Ka Whawhai Tonu (M)

Running Time: 115 minutes

Set in **Aotearoa New Zealand** in 1864, *Ka Whawhai Tonu* tells the story of a pivotal battle in the first **New Zealand** land wars in the **Waikato** region. A battle fought with impossible odds between **Maori** and the Colonial forces. This heroic conflict is told through the eyes of two young teenagers forced to take control of their own destiny amidst the chaos of the battle and their escape.

## Twisters (M)

Running Time: 122 minutes

Directed by **Lee Isaac Chung**, *Twisters* stars **Daisy Edgar-Jones**, **Glen Powell** and **Anthony Ramos** as equal forces, with opposing motivations, who come together to try to predict, and possibly tame, the immense power of tornadoes.

**Edgar-Jones** stars as Kate Carter, a former storm chaser haunted by a devastating encounter with a tornado during her college years who now studies storm patterns on screens safely in New York City. She is lured back to the open plains by her friend, Javi (**Ramos**) to test a groundbreaking new tracking system. There, she crosses paths with Tyler Owens (**Powell**), the charming and reckless social-media superstar who thrives on posting his storm-chasing adventures with his raucous crew, the more dangerous the better.

As storm season intensifies, terrifying phenomena never seen before are unleashed, and Kate, Tyler, Javi and their crews find themselves squarely in the paths of multiple storm systems converging over central Oklahoma in the fight of their lives.

## Mr Blake at your Service! (PG)

Running Time: 110 minutes

A widowed British businessman (**John Malkovich**) takes a job as a butler of a manor house in **France** to keep alive the memories of his late French wife. His life takes a turn as he navigates the eccentric behavior of the lady of the manor and the household staff.

The arrival of this very British guest spurs them back to life, prompting them to start working together to restore the manor's former beauty. The result will be a new lease of life for the Beauvillier estate and everyone living on it.
