

EVENT & FILM GUIDE – JUNE 2025

The Salt Path (M)

Running Time: 115 minutes

The Salt Path is the profound true story of husband and wife, Raynor and Moth Winn's 630-mile trek along the beautiful but rugged Cornish, Devon and Dorset coastline. After being forcibly removed from their home, they make the desperate decision to walk in the hope that, in nature, they will find solace and a sense of acceptance. With depleted resources, only a tent and some essentials between them, every step along the path is a testament to their growing strength and determination.

The Salt Path is a journey that is exhilarating, challenging, and liberating in equal measure. A portrayal of home, how it can be lost and rediscovered in the most unexpected ways.

Running Time: 114 minutes

With or Without You follows the moving story of Chloe (**Melina Vidler**), a young woman determined to rescue her free-spirited, alcoholic mother, Sharon (**Marta Dusseldorp**), from the claws of temptation.

When Chloe's ex-boyfriend torches her caravan, destroying everything inside, including her life savings, they find themselves on an unexpected road trip with a mysterious West African man named Dalu (**Albert Mwangi**), who is also looking for a better life. On their journey through the Australian countryside, they face challenges and unexpected detours, which, along with humour and passion, lead them to discover hope and healing.

Tarrac (M)

Running Time: 94 minutes

Aoife Ni Bhraoin (**Kelly Gough**) returns home to help her father Brendan 'The Bear' O'Briain (**Lorcan Cranitch**) in his recovery from a heart attack. During this time, Aoife faces the grief of her mother's death that she hasn't dealt with until now. Aoife reacquaints with a group of rowers and this all-female team, who against the odds, take on a high stakes Naomhóg rowing competition.

Tarrac has warmth and a sense of place. An intimate character study of a woman who through a sporting passion, finally manages acceptance and love. Laced with humour, heartbreak and exciting action set against the stunning landscapes and seas of the Kerry Gaeltacht, *Tarrac* is about daring to care again and learning the power of forgiveness.

Bob Trevino Likes It (M)

Running Time: 101 minutes

Lonely 20-something Lily Trevino accidentally befriends a stranger online who shares the same name as her estranged father. The other Bob Trevino is childless, but may just be the dad Lily needs.

Inspired by an extraordinary true story.

Chuck Chuck Baby (R13)

Running Time: 102 minutes

Chuck Chuck Baby is a film of love, loss and music set amongst the falling feathers of a chicken factory.

Set in present day industrial North **Wales**, Helen (**Louise Brealey**) spends her nights packing chickens and her days caring for a dying mother-figure Gwen (**Sorcha Cusack**). Helen's world takes an unexpected turn with the return of Joanne (**Annabel Scholey**). They were the objects of the other's unspoken teenage passions twenty years ago. One night, encouraged by Helen, Joanne starts a playful wooing game that re-awakens their youthful feelings. As they fall in love and lust, Helen's zest for life returns but Joanne feels the walls closing in as she faces something much darker from her past, and Helen's painful memories cause her to flee.

Separated and alone, will both women reflect on their unfulfilled chance to break their barriers and allow love to win?
