

## EVENT & FILM GUIDE – JULY 2026

### Disclosure Day (M)

If you found out we weren't alone, if someone showed you, proved it to you, would that frighten you? This winter, the truth belongs to eight billion people.

We are coming close to ... *Disclosure Day*.

**Universal Pictures** is proud to release a new original event film created and directed by **Steven Spielberg**. ### Minions & Monsters (PG)

### The Christophers (M)

Running Time: 100 minutes

The children of a once famous artist hire a forger to complete some unfinished, long ago abandoned canvases so they'll have an inheritance when he dies.

After being separated for 15 years, the Sword of Power leads Prince Adam (**Nicholas Galitzine**) back to Eternia where he discovers his home shattered under the fiendish rule of Skeletor (**Jared Leto**). ## Buffalo Kids (PG)

Two **Irish** orphans journey by train across **America**, encountering villains and heroes. They make an extraordinary friend and search for a new home, facing adventures and dangers along the way.

## The Death of Robin Hood (R16)

Grappling with his past after a life of crime and murder, *Robin Hood* (**Hugh Jackman**) finds himself gravely injured after a battle he thought would be his last. In the hands of a mysterious woman (**Jodie Comer**), he is offered a chance at salvation.

## Glenrothan (M)

Running Time: 97 minutes

After being away for 35 years in the **United States**, Donal (**Alan Cumming**) reluctantly returns home to the Scottish Highlands to make amends with his estranged older brother, Sandy (**Brian Cox**, *Succession*).

Sandy needs Donal to take over the family's whisky distillery or he will be forced to sell the family's legacy.

But their reunion forces the brothers to confront the past and the real reason Donal left *Glenrothan*.

## The Invite (R16)

Running Time: 107 minutes

Joe and Angela's marriage is on thin ice. When they invite their enigmatic upstairs neighbors for a dinner party, the night spirals into unexpected places. Have they reignited the spark or lit the match that burns it all down?

Starring **Seth Rogen**, **Olivia Wilde**, **Penélope Cruz** and **Edward Norton**

## Lollipop (M)

Running Time: 100 minutes

In this absorbing drama, **Posy Sterling** (*The Outrun*) delivers a powerful performance as Molly, a young mum from **East London** who has lost everything while in prison.

After serving four months, Molly assumes it will be a matter of hours before she can collect her kids from foster care - but she now faces a longer ordeal than anticipated...

Molly finds herself in the mother of all catch-22s: she can't get housing because she doesn't have her kids living with her; but she can't get them back without a roof over her head.

Molly has just six months to get housing and turn her life around before a judge in the family court makes the final determination whether her children will remain in long-term foster care, or return to live with her. A glimmer of hope in Molly's world is reconnecting with her best friend from school, Amina, who also finds herself on hard times. Leaning on their friendship, can Molly and Amina beat the system and take destiny into their own hands?

## Re-Creation (M)

Running Time: 89 minutes

Part courtroom drama, part true crime documentary, the extraordinarily inventive *Re-Creation* delves into one of **Ireland's** most shocking unsolved crimes.

In 1996, French filmmaker **Sophie Toscan Du Plantier** was murdered at her holiday home in **West Cork**. **English** journalist **Ian Bailey** was investigated by **Irish** authorities, but never faced trial in **Ireland** - despite the fact he was tried and convicted in absentia by the **French** government.

*Re-Creation* directors **Jim Sheridan** (*My Left Foot*, *In the Name of the Father*) and **David Merriman** have constructed a fascinating mix of fiction and reality that explores the question: what if Bailey had been tried in **Ireland**?

The film skillfully brings audiences into the room as a fictional jury sorts through the facts, inconsistencies and inconvenient truths that make the case so intriguing to this day.

## Primavera (M)

Running Time: 110 minutes

Cecilia, a talented violinist confined in an orphanage, gets a chance to live the life she has dreamed of when she meets **Antonio Vivaldi**.

Under his mentorship and through his music, she gains courage to break free from her pre-ordained destiny and pursue her passion.

*In Italian with English subtitles*
